7. REPORTS

7.1 Stratford Police Services Monthly Operating Report - May 2019

Deputy Chief Gerry Foster spoke to the May operating report and responded to questions from the Committee.

The Committee discussed the deterioration of licence plates and inquired about the opportunity to educate the public that such licence plates can be replaced by contacting the licensing office. The Committee suggested that staff share the information with the public.

In response to committee questions the police provided the following answers:

- A local garage door theft involved a local victim and an external suspect.
- For driving complaints, most are distracted driving or out of lane. Most complaints occur in the daytime.
- There are numerous reasons why the police supervisor's truck is deployed to town.
- Seatbelt compliance is above ninety percent, but there are seasonal non compliances.

Police Chief Greg Skinner highlighted the crime stoppers report

Chief Skinner stated that the Perth County Crime Stoppers Board and Huron County Crime Stoppers Board are investigating opportunities to amalgamate.

8. CORRESPONDENCE

None.

9. OTHER BUSINESS

9.1 Discussion of Items Raised by Committee Members

9.1.1 Review/Overview of the Speed Zones Currently Within Town Limits (P. Dunseith)

Mr. Kittmer stated that staff anticipate a report back to Council on the matter within the coming months.

Paul Dunseith noted that he has heard public concerns that speeding enforcement is a “cash grab”. He inquired about the possibility of the posted limit at the Water Street South entrance to Town be increased to 60 km/h.

Mr. Kittmer provided that the *Highway Traffic Act* states that all in-town speed limits will be 50 km/h. The municipality has the authority to adjust from there. Council receives field analytics that guide Council with their decision of posted speed limits.

Mayor Strathdee stated that as a council representative, he would like to review the pending staff report regarding downtown speed limits before further direction is created from this Committee.

Doug Diplock would like Chair to review the staff report and then determine if a special meeting of the Committee needs to be called throughout the summer months prior to the Council meeting.

10. CLOSED SESSION

Moved By Mayor Strathdee

Seconded By Doug Diplock

THAT the Community Policing Advisory Committee move into a session that is closed to the public at 9:40 am as authorized under the *Municipal Act*, Section 239(2)(b) personal matters about an identifiable individual, including municipal or local board employees, and the *Police Services Act*, Section 35(4)(a) matters involving public security may be disclosed and, having regard to the circumstances, the desirability of avoiding their disclosure in the public interest outweighs the desirability of adhering to the principle that proceedings be open to the public.

CARRIED

10.1 Correspondence Received re: Community Safety Concern

11. RISE AND REPORT

Chair Winter stated that a closed session was held and one item related to a community safety concern was considered. There is nothing further to report at this time.
