6. OTHER BUSINESS

6.1 Road Network Safety Plan Update: B. Kittmer

Brent Kittmer stated that the process of the road network safety plan has slowed significantly over the last few weeks due to emergent road work in the eastward. However, line painting of stop bars at specific intersections is ongoing. The contractor will not paint stop bars at intersections where

yield signs remain in place due to current regulations. Staff will complete permanent pavement markings when stop signs have been installed.

In response to an inquiry about the ability to use paraplastics for line markings, Mr. Kittmer stated that staff will investigate this option.

6.2 2022 Park Patrol

Deputy Chief Foster stated that five individuals have been hired as summer park patrol for 2022. Two individuals will be specifically appointed to St. Marys. Staff will be in place within the next couple of weeks.

6.3 On-street Parking: D. Diplock

Paul Dunseith asked staff to review the reason for permitting parking on both sides of Elizabeth Street. As for roads with high traffic such as Meadowridge Drive, Southvale Road and Elizabeth Street, would the Town consider reducing parking to one side?

6.4 How to Contact the Police Notification

Chief Skinner informed the Committee that the 'how to contact police' media information has been forwarded to St. Marys mailboxes.

Constable Mounfield stated that a bike rodeo will be held at the Pyramid Recreation Centre for the purpose of registering bikes from St. Marys through 529 Garage.
