Brent

I hope you are well and things have been enjoyable for you this summer.

I wanted to reach out to you with a follow up email regarding the deteriorating situation occurring at Cadzow. We appreciate all the time and money the town invests in this location for young children and families to enjoy. It truly was a draw, please don't ever think otherwise.

Unfortunately the situation at is becoming unbearable here. 3 years ago, as mentioned in the email below, the situation was getting worse, and here I am today telling you it has become much worse. This is not a police matter despite numerous calls to them over the years, there is only so much they can do. They are not responsible to be parents and enforce the rules the town set.

In the past week alone the police have been called for:

- > Fights and youth being beaten up in the park. When tried to intervene and stop, they follow you to your house, harassing you and your family, claiming they are minors they can do what they want.
- > Vandalism occurred all weekend as usual, it's a nightly thing. Last night was awoken @ 4:30 am once again to trouble in the park. Didn't see anyone ITS PITCH BLACK over there, so walked across to see. Two youth once again screwing around with all the equipment at the park stacking in front of washroom. Scared them badly, one threatened me with a knife.
- > Its only a matter of time before the portable toilet company pulls out of St Marys, it has been unusable since been vandalized again. This is embarrassing we cant even manage this. Watched about 6 toddlers have to pee on a tree over the weekend because of this.

We are contemplating moving and we have lived here 12 years, because this is turning into a ghetto. My neighbors call the police, one set has given up. I am shocked the town will not prioritize cameras over safety, it has to be put in the budget and approved. It is only a matter of time before someone is hurt here its pretty clear. We should not have my toddler, or any toddler, not wanting to go to that park anymore due to the stuff happening.

Please consider more short term changes (turn off the Wi-fi, keep lights on at night, re-visit curfew, escalate camera install I will give you one). Thank you for your consideration.

Corey Elgie
